

SCIENTIFIC PROGRAMME – PROGRAMME AT A GLANCE

	FRIDAY 30 MAY		SATURDAY 31 MAY	
		08:30-09:00	Opening Ceremony	
		09:00-10:00	<i>Moderator: Dr Ross BASTIAAN</i> Plenary Lecture - The infectious nature of periodontal diseases: one century of controversies Prof. Magda Feres, Brazil (Venue: Room 301)	
		10:00-10:30	Tea break	Opening Ceremony of Trade Exhibition
		10:30-11:30	<i>Moderator: Prof LK CHEUNG, Dr Suzanne HANLIN</i> Plenary Lecture- The oral and dental environment – risk management strategies for worn dentition Prof. Ian Meyers, Australia (Venue: Room 301)	
		11:30-12:30	Plenary Lecture - Computer aided planning in reconstructive cranio-maxillofacial surgery Dr. Daniel Buchbinder, USA (Venue: Room 301)	
		12:30-13:40	Lunch	
14:00-16:00	Registration	13:40-14:40	Periodontology and Systemic Diseases Symposium (Venue: Room 301A) <i>Moderator: Prof LJ JIN, Dr Braham PEARLMAN</i> Systemic antibiotics in the treatment of periodontal infections: to use or not to use? Prof. Magda Feres, Brazil	Oral and Maxillofacial Surgery Symposium I (Venue: Room 301B) <i>Moderator: Dr Siu-chung FUNG, Dr Paul SAMBROOK</i> Orbital trauma and reconstruction Dr. Daniel Buchbinder, USA
16:00-17:30		14:40-15:10	How does dental status influence the nutritional status of geriatric & stroke patients? Prof. John Chai, USA	New approaches in parotid gland surgery Prof. Luigi Califano, Italy
17:30-18:00		15:10-15:30	Tea break	
17:30-18:00	Academic Procession Assembly	15:30-16:30	Periodontology Symposium I (Venue: Room 301A) <i>Moderator: Dr Scott PARSONS</i> Success in periodontal therapy- What is it? Prof. Niklaus P. Lang, Switzerland	Implantology Symposium I (Venue: Room 301B) <i>Moderator: Prof Tak-wah CHOW, Dr David THOMSON</i> Immediate loading of endosseous implants: prosthodontic and surgical considerations Dr. Ansgar Cheng, Singapore Oral function reconstruction by vascular fibular bone flap simultaneous dental implants – 12 years experience in Chang Gung Memorial Hospital Dr. Yang-Ming Chang, Taiwan
18:00-20:00		Convocation Ceremony & President's Cocktail Reception (Venue: Room301, HKCEC)	19:00	Convocation Dinner (Venue: Aberdeen Jumbo Seafood Restaurant)

SCIENTIFIC PROGRAMME – PROGRAMME AT A GLANCE

SUNDAY 1 JUNE		
08:30-09:30	Oral and Maxillofacial Surgery Symposium II (Venue: Room 301A) <i>Moderator: Dr Eric CARTER, Dr Anthony NAIM</i> Contemporary management of the cleft patient Dr. Daniel Buchbinder, USA	Restorative Dentistry Symposium I (Venue: Room 301B) <i>Moderator: Dr Francis CHOW, Dr Elizabeth MARTIN</i> Stabilisation and pre-restorative requirements for managing worn dentition Prof. Ian Meyers, Australia
09:30-10:00	Isolated posterior orbital fractures and diplopia – A 10 year review Dr. James P Worthington, New Zealand	Clinical use of lasers in caries therapy Dr. Ambrose Chan, Australia
10:00-10:30	Tea break	
10:30-11:30	Implantology Symposium II (Venue: Room 301A) <i>Moderator: Dr Robin CHUNG, Prof William YUNG</i> Microbiological basis for periodontal and peri-implant treatment: what do we need to know before starting therapy? Prof. Magda Feres, Brazil	Multidisciplinary Symposium (Venue: Room 301B) <i>Moderator: A/Prof Bernadette DRUMMOND, Dr David SYKES</i> Management of the paediatric patient – current concepts and practices Dr. Soni Stephen, Australia
11:30-12:00	The ultimate esthetic outcome & long-term success by 3D diagnostics & treatment planning, minimal invasive therapy & balance of hard & soft tissue – The future trend in implantology Dr. Fred Bergmann, Germany	Improving the efficacy of caries prevention Dr. David J Manton, Australia
12:00-12:30	Management of complications in sinus surgery Dr. Yong-Seok Cho, Korea	3-dimensional distraction osteogenesis of the midface – orthodontic considerations Dr. Dror Aizenbud, Israel
12:30-13:40	Lunch	
13:40-14:40	Restorative Dentistry and Implantology Symposium I (Venue: Room 301A) <i>Moderator: Dr Edmond POW, Dr Martin TYAS</i> Conservative restorative options for managing worn dentition Prof. Ian Meyers, Australia	Colgate Young Lecturer Award Presentation (Venue: Room 301B) <i>Judge: A/Prof Bernadette DRUMMOND, Dr John FRICKER, Prof Lakshman P SAMARANAYAKE</i>
14:40-15:10	Osseointegration: from the past to the future – the titanium nano-surface Prof. Peter Wang, USA	
15:10-15:30	Tea break	
15:30-16:00	<i>Moderator: Dr John HARCOURT, Prof Stephen WEI</i> (Venue: Room 301A) Clinical evaluation of ceramic implant abutments in anterior restoration Dr Zhuo-Fan Chen, Guangzhou, China	Free Paper Presentation (Venue: Room 301B) <i>Moderator: Dr SF LEUNG</i>
16:00-16:30	Contemporary concepts in the management of failed full arch restorations Dr Daniel T S Fang, Hong Kong, China	
18:30-21:30	Victoria Harbour Cruise Fellowship Night (Assembly Venue: Wanchai Pier)
