

Study mission to optical adaptive lens production line 參觀本港光學自適鏡片生產線 - 偉聯廠房(2021-04-26)

Sincerely gratitude to Wai Luen Plastic Company Limited and Hong Kong Productivity Council for the cordial hospitality and professional presentation, the eyewear manufacturers have a better understanding of developing an intelligent production line in Hong Kong for the manufacturing of optical adaptive lenses specifically.

借此衷心感謝偉聯塑膠有限公司和生產力局的熱情款待和專業介紹，通過這次訪問，讓眼鏡製造商了解偉聯在本地開發及建立智能生產線，專門製造光學自適鏡片。
